

When You Clean House

Add something each year that will make your home more comfortable. It is difficult for most of us to buy large quantities of house furnishings at one time.

You will be surprised, though, how rapidly your home becomes attractive with new things, if you follow this plan of adding something new every spring.

Light Weight Clothing Is Essential To Comfort In Hot Weather

Nothing saved by wearing heavy clothes in hot weather. Light cool garments cost less, and there is actual economy in wearing them in summer and keeping your heavy suits for next winter wear. And what a difference in comfort to you. For hot weather, we show a splendid line of

Cool Comfortable Suits

In wide variety of fine materials and good tailoring. Light weight serges, tropical worsteds, Panama cloths, Mohairs, etc., some with vests, some without; some full lined coats, others quarter or half lined. Every coat constructed with extra quality canvas and hair cloth inner-linings, so that it will hold its shape under the hardest wear.

Beautiful summer colors—blues and grays in plain and fancy effects,—sizes are models to fit all men—and most reasonably priced

Common Drinking Cup.

The law prohibiting the common drinking cup went into effect June 10th. The law forbids the use of the common drinking cup on trains, in railroad stations, hotels, boarding houses, restaurants, steam boats, stores or other public places. No person who violates the provisions of the act is punishable by a fine of not less than \$1 nor more than \$10, and each day of violation of the provisions of the act is to be considered a separate offense.

New Departments At Eastern For The Coming Year.

The State Normal is planning to widen and extend its usefulness by inaugurating certain new departments along progressive lines. The Department of Agriculture is to be headed by Prof. J. S. Pullen, a native Kentuckian, who has been Principal of State Approved High School of Louisiana, and has for the past three years, been supervising the State Agriculture High School.

Blue Grass Crop Heavy in Madison.

The farmers of Madison have been actively engaged during the past week gathering blue grass seed, which is one of the heaviest crops known in many years. Central Kentucky produces practically all of the blue grass of the world, and the crop of seed is one of the important revenues of the farmers of the section. The blue grass seed runs all the way from 300,000 to 800,000 bushels, and this year it is estimated may make something like 1,000,000 bushels. The price varies from 40 or 50 cents to \$1 per bushel. In view of the heavy crop the sales this year are starting at 45 cents a bushel as it stands in the pasture. An acre of blue grass will produce from 15 to 30 bushels of seed, and as the rearing of the seed in no way impairs the value of the grass for grazing purposes, the sale of the seed stands as a premium paid annually to the owner of blue grass seed.

\$50 Prize.

A prize of fifty dollars in gold has been offered by John B. McFarland, Chairman of the Educational Committee of the Louisville Commercial Club to the County which sends the largest delegation of the teachers and trustees to the Kentucky Educational Association, which meets in Louisville, June 25, 26 and 27. Jefferson County is excluded from this contest, and the distance traveled as well as the number of delegates will be considered, thus giving the most distant and isolated counties an equal show with those adjacent to Louisville. Many counties have their eyes on this prize, and are organizing large delegations to attend.

Deaths

At the home of Mrs. Garrett, on Second street, this city, on Wednesday, June 6, at 10 o'clock, Mrs. Levi Durham in his thirty-fourth year. Mr. Durham resided in Dayton, Ohio, and came to this city to work for the Durham family. He was a well known townsman. Mr. N. A. Durham, his remains were buried Friday at Berea, Ky., after services at the Baptist church of that place.

City Council.

City Council met in regular monthly session Thursday evening, June 6, at 8 o'clock. Mayor and every councilman being present. Messrs. R. D. Ballard, W. A. Langford and Lyman Parrish were elected as a board of Tax Supervisors. The contract with the Water Company was taken up and discussed, but was passed for final action until a meeting to be held Wednesday evening, June 12. The question of filling the streets was taken up. The committee soliciting funds for same was ordered to continue their work and the Mayor was authorized to order two car loads of oil. A resolution was offered and adopted to rebate the soft drink houses from June 1st, the time at which they will begin to be paid, to which time they paid and at which time their license would expire. This resolution was not obligatory, but the Mayor and Council thought it was the right and honest thing to do. We believe that all right-thinking people will approve this action as the city should not and does not want to take a man's money without giving him value received. Mr. R. E. Miller, Street Commissioner, resigned and Mr. J. W. Derringer was elected to his position. The usual monthly bill was read and ordered paid. Other routine business was disposed of and the council adjourned.

Free Sacred Concert.

Prof. Battisto's Royal Italian Band, connected with Littlejohn's Show, appearing in the East End every evening this week, gave a free sacred concert from the steps in the Court House yard Sunday afternoon. The weather was delightful and hundreds of citizens, both white and black, were on the street to enjoy the music which was beautiful, far better than is usually heard on such occasions. Prof. Battisto's band, will give a concert every day and evening this week at the show grounds in the East End.
